Chinese Comfort Women: Testimonies from Imperial Japan's Sex Slaves

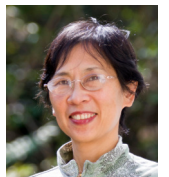

《中國慰安婦》新書介紹會 作者丘培培專程來溫哥華與讀者交流

Chinese Comfort Women is the first English account of the unfathomable atrocities experienced by Chinese women who were forced to become 'comfort women' during Japan's invasion of China. Peipei Qiu will talk about the socio-historical context of the Chinese 'comfort women' and the social justice movements that developed after Japan's denial of the 'comfort women' system. The author will also address how the 'comfort women' issue relates to regional political tensions in the Asia-Pacific today.

“慰安婦”問題與近來亞太地區的緊張局面有沒有關係？國際公認的韓國“慰安婦”平反運動與中國類似的運動有什麼關聯？作者丘培培為Vassar College 亞洲研究項目主任，她將和與會者討論這些及其它在他們的新英文書《中國慰安婦：日軍性奴隸的證言》提到的問題。此書為全球首部 英語專著，另兩位作者為上海師範大學的蘇智良和陳麗菲教授。

PROFESSOR QIU is Director of the Asian Studies Program at Vassar College. She authored the book with Professors Su Zhiliang and Chen Lifei from China.

Event will be held in both English and Mandarin.
